April 2018

We had 4 Nor'easters here in Jersey and April already brought us some snow....This has to be the winter that just won't quit.

A NEW FEATURE ON THE WEBSITE

If you have been following me you know that I get some really cool and exciting vintage gear for sale. Sometimes you missed it, sometimes you forgot about it, sometimes you just want to drool!!!!!!!

so there is a new section called "Vintage Archive sold"

You can find it by going to the "Custom Gallery and Links" section

I have wanted to do this for years and now I have a spot to just put some pics of the really rare and cool stuff that has been through our doors.

I've been thinking about this....I'm not a salesman...in fact, I'm the world's worst salesman, I can't sell used cars, or ice cubes to Eskimos, but I do know guitars.....And if there is one thing in my life I am passionate about that is Music and musical Instruments. I know them better than anything else and have been doing it a long time.....I know its a cliché but yes I have forgotten

more about the music industry than some people will ever know.

So how does that effect you.....I am passionate about what I sell. I will not sell you something that I think is inferior without suggesting alternatives. Sometimes that will cost me a sale....and I don't mind. I want you to be happy with your experience and your item and that is my main priority.

If you have a question call me...yes I am sometimes hard to get a hold of but I will give you an answer. If you need a quick answer than send me an e mail...sometimes those get returned faster just because I can answer something quickly.

Be confident.....don't buy a used guitar from a used car salesman.....
