February 2019

Of course this newsletter is late.....I just got back from Namm had a great time saw many old friends...made some new ones... and aside from the usual plane travel hassles, it was an uneventful trip. Of course the usual trip to In N Out burger happened well....ehhh...three times and I did manage to make it out to the vintage guitar show in Costa Mesa.

It was really great to see an interview with Derek Smalls from spinal tap
