April 2020

Well....This certainly has been an interesting few weeks now hasn't it? In New Jersey we are on lock down so only essential activities can happen. I am still able to get out packages to UPS, Fed EX and the USPS but I have to tell you it's a whole different world out there. If you need something don't hesitate to let me know and I will do my best to get it to you in a timely manner. So far packages have been going out and getting delivered but that may change at some point in time.

I have been using my time productively and cleaning the office (found a ton of interesting goodies) and checking on loved ones etc. Gigs are obviously cancelled for the foreseeable future so there is some time for songwriting and practicing. The best way we can all get through this is to occupy ourselves with things that we love and keep us busy. Perfect time to look into that special guitar, amp or other piece of gear that you always wanted.

We are not alone, together we will get through this crisis and I'm sure weather another.

Don't forget to tell your friends to get on the mailing list !!!

Well wasn't that fun? You got a chance to lust over some gear for a few minutes and forget about all the world's suffering.

Please stay safe, stay well, look in on the lonely and frail, when we see each other next hopefully we will shake hands and hug and most of all smile.

Sending my best out to all of you in these uncertain times.....We all all in this together..... We are family!!!!

I AM the Ovation/Adamas guitar specialist!

Thank you for your continued support over the years.

You know how to get in touch with me!!!

Thanks

Al
